About our company and this catalogue

For more than a half century, we at Stephenson Millwork have prided ourselves on producing woodwork of distinction. From the beginning, high quality mouldings have been a cornerstone of our spectrum of millwork products.

Our customers have come to rely on our ability to provide a wide selection of traditional moulding profiles. We possess the capacity to produce unique mouldings that reflect a particular architectural direction as well as represent special custom design requirements. We stock a wide selection of premium lumber species in multiple dimensions, which allows us to respond quickly to a broad range of customer needs.

This catalogue has been produced to assist architects, designers, builders and home owners as they consider moulding choices and combinations. Each section contains an overview, followed by a scale drawing of each pattern.

TABLE OF CONTENTS

CASING & BACKBAND	2-10
PLINTH BLOCKS.	11
WINDOW STOOL, APRON & STOP.	12-14
BED, CROWN & COVE.	15-20
LARGE CROWNS & COVES.	21-24
DENTIL MOULDING	25
CORNICE COMBINATION	26-27
CONTEMPORARY MOULDING	28
BASEBOARD & BASE CAP.	29-31
CHAIR RAIL & CHAIR RAIL BACKER.	32-33
EXTERIOR MOULDING.	34-36
MODILLION BLOCK & PLATE	37
BEADED/EDGE TRIM & RAKE	38
PILASTERS	39
MANTLE MOULDING	40-41
HANDRAIL	42-43
CORNER MOULDING	44-45
PANELING & FLOORING.	46-48
MISCELLANEOUS MOULDINGS.	49
INDEX	50-51

Solid Wood Storm Doors

Available in 1 1/8" and 1 3/8" material. Multiple options for glass and species. Custom sizes and layout.

Exterior Louver and Raised Panel Shutters

Available in N.C. Pine, Redwood, Western Red Cedar, and Paint Grade Mahogany. Able to duplicate existing shutters.

Stile and Rail Raised Panel and Glass Doors

We manufacture these items from most species of lumber including Fir, Oak, Poplar, Cherry, Mahogany, and Walnut. True divided light, insulated and single pane glass. Suitable for exterior and interior applications. Available in 1 3/8", 1 3/4", 2" and 2 1/4" material. Designed to your specifications.

Window Sash and Custom Window Units

We can match most custom profile sash. All sash true divided light.

Available in insulated and single pane glass.

Complete double hung window units with weather-stripping and balances, as well as weight and cord units.

Solid Wood 20-Minute Label Inside Door Jambs

20-Minute Rabbeted or T-Stop Jambs. Pre-machined for hinges and strike.

Woodlife Treating

All exterior millwork products woodlife treated.

Custom Detailing Department

Complete CAD design service. Detailed drawings available for all of your custom product requirements.

Since 1946, Stephenson Millwork has been recognized as a leader in quality woodworking. With our vast experience in wood moldings, we are well equipped to provide stock and custom moldings in a wide selection of lumber species.
