AWI Announces 2010 Standard of Excellence Winners

The Architectural Woodwork Institute (AWI) announced the Standard of Excellence (SOE) winners for 2010.

AWI's widely-respected Award of Excellence Program distinguishes the finest custom architectural woodwork. Award winners have their distinctive projects published in *Design Solutions*, the quarterly journal of the Architectural Woodwork Institute.

The AWI Standard of Excellence winners are chosen from projects published in the recent editions of *Design Solutions*.

The 2010 Overall Winner was Fetzer Architectural Woodwork, West Valley City, UT, for their outstanding work on the Alice Tully Performance Hall in the Julliard School of Music in New York City, NY.

Additional Standard of Excellence winners include –

Architectural Woodwork Corp., St. Louis, MO, winner of the Healthcare Category SOE award for their work on St. John's Heart Hospital in St. Louis, MO featured in the winter 2010 *Design Solutions*.

Art of Woodwork & Design Charleston, LLC, North Charleston, SC, winner of the Residential Category SOE award for their work on the Potts Residence in Daniel Island, SC featured in the winter 2010 *Design Solutions*.

Montbleau and Assoc, Inc, San Diego, VA winner of the Hospitality Category SOE award for their work on the Resort at Pelican Hill in Newport Beach, CA featured in the spring 2010 *Design Solutions*.

Lange Bros. Woodwork Co, Inc., Milwaukee, WI winner of the Worship Category SOE award for their work on the Emanu-El B'ne Jeshurun Synagogue in Fox Point, WI featured in the summer 2010 *Design Solutions*.

Low Country Case & Millwork, Inc., Ladson, SC winner of the Corporate Office Category SOE award for their work on the Mike Long Executive Suite, Beaufort, SC featured in the summer 2009 *Design Solutions*.

Stephenson Millwork Co, Inc., Wilson, NC winner of the Public Facility Category SOE award for their work on Raleigh Convention Center, Raleigh, NC featured in the fall 2009 *Design Solutions*.

All projects can be viewed through *Design Solutions* online at www.awinet.org. Click on Design Solutions magazine in the left menu to choose an issue.
